

**ARTES GRAFICAS SENEFELDER C.A.**, is a company dedicated to meeting the graphic needs of customers, committed to continuously improve the Integrated Management System (SGI), taking into account its purpose and context to optimize productivity, guarantee quality, chain of custody and food safety through training and sensitization of the organization's staff for the correct development of all the activities carried out.

We are a legally responsible company, therefore we are committed to complying with the applicable legislation related to the SGI, also including the environment, the satisfaction of our clients, the well-being of our workers and aimed at achieving our strategic objectives; promoting internal and external communication as the guiding axis of our Integrated Management System.

We are committed to the processing and conservation of forest products and declare that the organization is not directly or indirectly involved in the following activities;

- a) Illegal logging or trade in illegal timber or forest products;
- b) Violation of traditional and human rights in forestry operations;
- c) Destruction of high conservation values in silvicultural operations;
- d) Significant conversion of forests to plantations or other uses;
- e) Introduction of genetically modified organisms in forestry operations;
- f) Violation of any of the Fundamental Conventions of the ILO, as defined in the ILO Declaration on Fundamental Principles and Rights at Work, 1998.

This policy is established in order to provide a frame of reference for the objectives of the SGI.
